

Super Floor Stripper 5 Ltrs

Art No	CHFCIP00030
Uses	remove most wax and glaze coatings, including aged films of metallised finishes
Content	5 Ltrs
Country of Origin	UAE

Super Floor Stripper is a high powered stripper which will remove all types of wax and glaze coating from floors. It is a clear liquid with a slight odor.

Why Super Floor Stripper ?

- › Super Floor Stripper will remove most wax and glaze coatings, including aged films of metallised finishes which can prove difficult to remove if a conventional stripping solution is used.
- › At high rates of dilution, Super Stripper makes an excellent hard surface cleaner.
- › The surfactants used are fully Bio-degradable.
- › Suitable for use in scrubbing machine.

How to use Super Floor Stripper ?

Dilute 1 part of super floor stripper with 5 parts of water, spread this solution onto the floor to be stripped, Soak the floor for 10 minutes and then scrub the floor with a suitable machine using a black pad, mop or wet vacuum the resultant slurry from the floor. Floor must be rinsed thoroughly and allowed to dry before application of floor polish.
